

QUALITY POLICY

CRESCAR PARTNERS PROJECT MANAGEMENT SERVICES L.L.C is providing project management and advisory services to leading organizations. The management and staff are committed to:

- Ensure customer satisfaction in every order that we process by meeting requirements for product quality and delivery schedule;
- Resolve customer complaints in a timely manner;
- Comply with applicable legal and other requirements the organization subscribes to;
- Provide assurance, through regular Internal Audits and Management Review Meetings that the Quality Management System remains effective in meeting requirements;
- Engage in continual improvement through management commitment and employee participation at all levels of the organization.
- Provide safe and healthy working conditions for the prevention of work-related injury and ill health.

The Quality policy shall be available to interested parties. It shall be communicated throughout the organisation and reviewed annually for continuing suitability.
